EDUCATION

PSG Institute of Technology and Applied Research

B.E in Computer Science and Engineering

CGPA: 9.56

Geetanjali Olympiad School

Grade 12

Percentage: 97.4

Global City International School

Grade 10

Percentage: 95.2

Coimbatore, Tamil Nadu

Expected Graduation, May 2026

Bangalore, Karnataka

2022

Bangalore, Karnataka

2020

ABOUT

Targeting **Data Science** and **AIML** roles with an organization of high reputation with a scope of improving knowledge and further career growth. Committed to **staying updated** with the **latest industry** trends and technologies, continuously enhancing skills to provide innovative solutions

PROJECTS

Emergency Communicator App Via Smartwatch

June 2024

Tools: Node.js, MongoDB, Flutter, ESP32 watch

A full-featured SOS emergency app that can be activated via a smartwatch to notify nearby strangers in case of an emergency. Developed the front-end using Flutter and programmed the ESP 32 Programmable watch using Arduino. Managed the backend with Node.js server and utilized MongoDB to store and retrieve user data for login and also to store the details of members of a community.

Complaint Registration System

December 2023

Tools: HTML, CSS, PHP, MySQL

A sleek and intuitive web application allowing users to easily register complaints on various departments of an organization along with the feature to allow admins to update the status and manage the complaints. Designed and developed a responsive front-end using HTML and CSS and implemented a web application with a PHP server. Integrated automated email notification systems using PHPMailer and leveraged PHPMyAdmin and SQL for robust data management.

EXTRA CURRICULAR AND ACADEMIC ACHIEVEMENTS

- Earned a certification in Programming in C, from NPTEL with a score of 75%.
- Served as the Placement Representative of the class, demonstrating leadership and organizational skills in coordinating recruitment activities and facilitating communication between students and employers.
- Member of NSS and Rotract Club.
